Thank you for emailing me your comments on the draft UIC Dewey-Burdock permitting actions. I have added your email to the list of public comments received. I have also added you to my contact list to keep you informed on future EPA activities related to these proposed actions.

Thank you!

*Valois*

**Subject:** comment on permits for Powertech

Dear Ms. Valois,

Please do not move forward with the granting of permits to Powertech and Azarga Uranium Corporation of Canada. The Inyan Kara aquifers are too important and the risks are too high. All over the United States fresh water sources are at risk of contamination and pollution. The purity of our water must be made a top priority.

Yours sincerely,

Ex. 6 Personal Privacy (PP)
